Oh, The Places You'll Go!

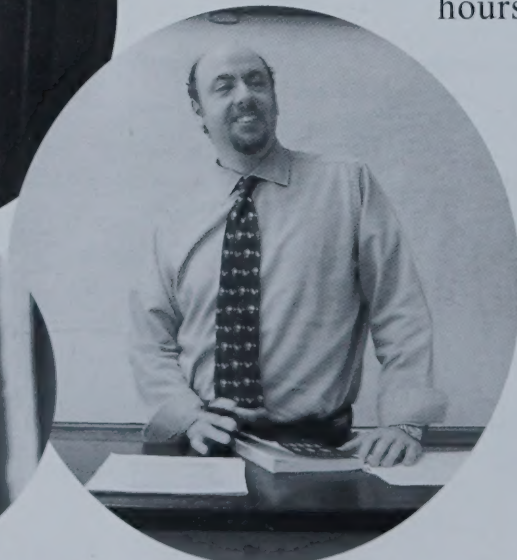

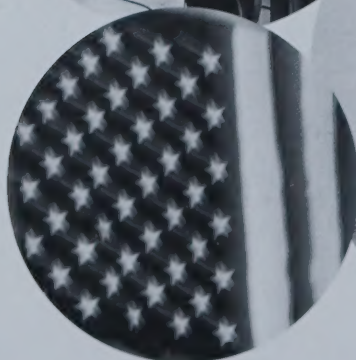

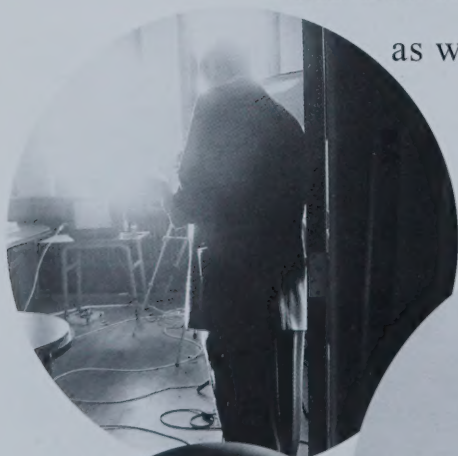

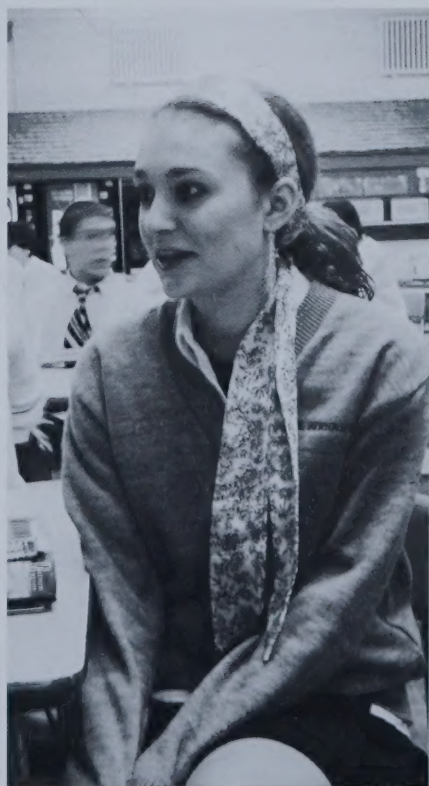

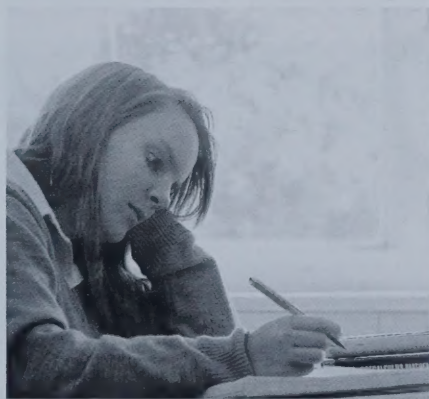

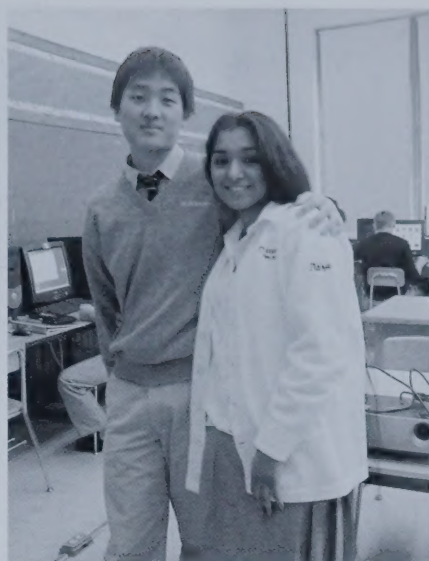

Dedication

William Driscoll

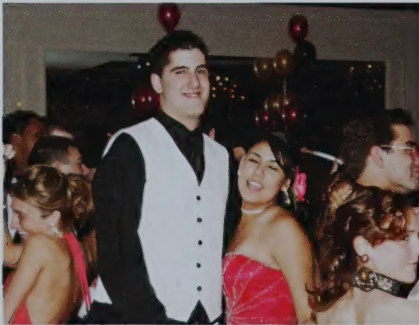

The Class of 2008 is proud to dedicate its senior yearbook to Mr. Driscoll. As underclassmen at St. Bernard's we all knew Mr. Driscoll and looked forward to taking his senior Christian Ethics course. He values our ideas and opinions during class, but helps us to consider different points of view. His classes are always interesting and we often debate issues of ethical and political significance. He challenges us to keep informed on current events involving ethical decisions, so that in our own life we can make the right choices. He explains complicated topics in ways that we can understand and relate to. We are never bored in his class, and look forward to it every day.

Mr. Driscoll is dedicated to St. Bernard's outside the classroom as well. Before or after school we can find him working as advisor to campus ministry, advisor to student council, or co-advisor to the chess club. He spends hours planning retreats, Masses, and other events at the school.

Spring Sports

It was an exciting time for Spring's sports as three teams made it to District play. Girl's lacrosse, boy's lacrosse and baseball all advanced to tournament play after playing outstanding during the regular season.

For the girls, under head coach Kate Larrivee, it was their first taste of tournament play after only their second year as a varsity program. The girls finished the year at 10 wins, 6 losses and 1 tie, led by Junior Gianna Gitto and Senior Jacqueline Quinn, both first team All-Stars.

Head coach Steve Gaudreau and the boys lacrosse team advanced to the second round of the tournament before experiencing a tough loss to Saint John's. the boys finished at 12 wins 10 losses, led by Steve Parsons (1st team Telegram and Gazette), Ryan Mullaney and Jon May (1st team Mid Wach).

Baseball and coach Jim Beauregard finished at 10 wins and 10 losses after a tough 1 run loss to Grafing in a first round District game. Leading the way during the season were Juniors Mike Mercier and Jon Balboni (CMC All-stars). Contributions from Freshmen Joe Balboni, Vinny Seretto and Pat Hamel and Seniors Keith Barnes and Adam Pothier also were key for the team.

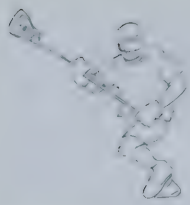

Softball and Track (coaches Beth Terho and Nick Parker) had competitive seasons as both inherited very young teams. Kelsey Johnston and Gina Torcoletti were CMC All-stars in softball while Jon McInerney led the track team to a very respectable season.

Mama told me when I was young
Come sit beside me, my youngest son
And listen closely to what I say.

And if you do this
It will help you some sunny day.
Take your time ...Don't live to fast,
Troubles will come and they will pass.
Go find a woman and you'll find love,
And don't forget son,
There is someone up above.
And be a simple kind of man.
Be something you love and understand.
Be a simple kind of man.
Won't you do this for me son,
If you can?

Forget your lust for the rich man's gold
All that you need is in your soul,
And you can do this if you try.
All that I want for you my son,
Is to be satisfied.
Boy, don't you worry... You'll find yourself.
Follow your heart and nothing else.
And you can do this if you try.
All I want for you my son,
Is to be satisfied.

The important thing is not to stop questioning. Curiosity has its own reason for existing. One cannot help but be in awe when he contemplates the mysteries of eternity, of life, of the marvelous structure of reality. It is enough if one tries merely to comprehend a little of this mystery every day. Never lose a holy curiosity.

Albert Einstein

A Friend

From here...

to here.

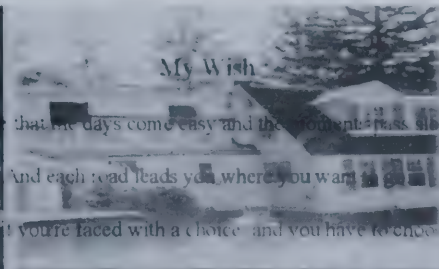

The time has gone by so fast!

Mike, watching you grow and mature over these past 17 years has been a true joy. You'll hear many people say that the future is in your hands; we hope you really take that to heart. The next four years will allow for much independence and a real opportunity to push yourself in new directions. Don't rush those years, take time to figure out what's really important to you and then work hard to make it happen. Take some chances, step out of your comfort zone. You'll be amazed at what will follow.

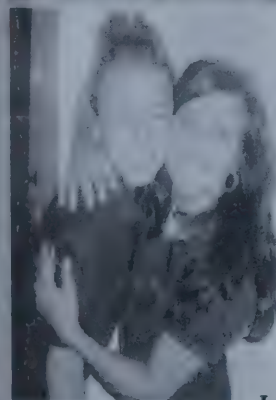

Take a cue from us; when we graduated from St. Bernard's 30 years ago we never imagined the truly blessed life we have now. You are at that most unique position in your life where the possibilities are endless. Enjoy this time!

We love you,

Mom & Dad

that the days come easy and the moments pass all
 And each road leads you where you want
 If you're faced with a choice and you have to choose
 I hope you choose the one that means the most to you
 And if one door opens to another door closed
 I hope you keep on walkin' till you find the window
 If it's cold outside, show the world the warmth of your smile
 I hope you never look back, but ya never forget
 All the ones who love you in the place you left
 I hope you always forgive, and you never regret
 And you help somebody every chance you get
 Oh, you find God's grace in every mistake
 And you always give more than you take
 But more than anything, yeah, and more than anything,
 My wish, for you, is that this life becomes all that you want it to,
 Your dreams stay big, and your worries stay small
 You never need to carry more than you can hold
 And while you're out there getting where you're getting to,
 I hope you know somebody loves you, and wants the same things too,
 Yeah, this, is my wish
 This is my wish
 I hope you know somebody loves you
 May all your dreams stay big

Lots of Love, Hugs & Enormous Amounts of Love!!!

 compassion, empathy, endurance, beauty and brightness...
 and these qualities are the best you can be blessed with.

We are all so very proud of you!

Congratulations Bri!

It seems like only yesterday that I was holding you in my arms and yet today I am setting you down on your own two feet, letting you go to embark upon the path of your future. Where did the time go?

I am so proud of you! For all that you have accomplished with school and hockey and for the man I see you becoming. I know it has not always been an easy road but you persevered and succeeded!

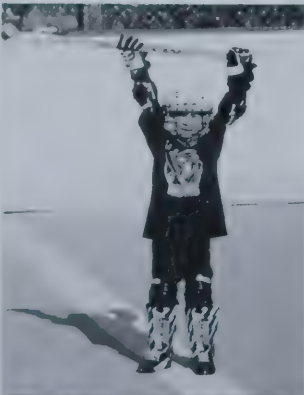

As you start your future I have a little advice (as usual):

Dare to dream, for dreams can become reality
Reach for the moon, the stars will be yours
Through hard work and dedication your goals will be met
Your future holds no limits!
You can and will have all that you desire if you try hard enough.

Remember: I will always, always be standing behind you with support, advice, encouragement, or even just a hug and a kiss.

Because: "I'll love you forever, I'll like you for always
As long as I'm living, my baby you'll be".

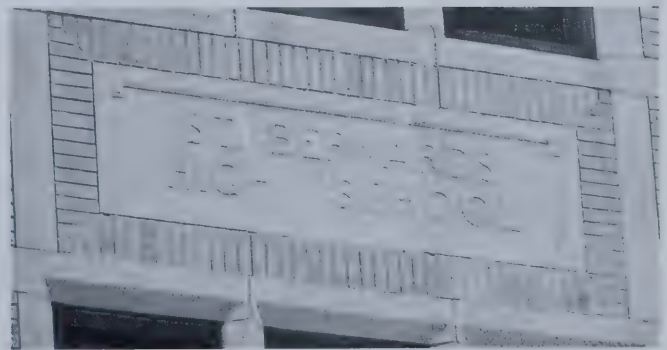

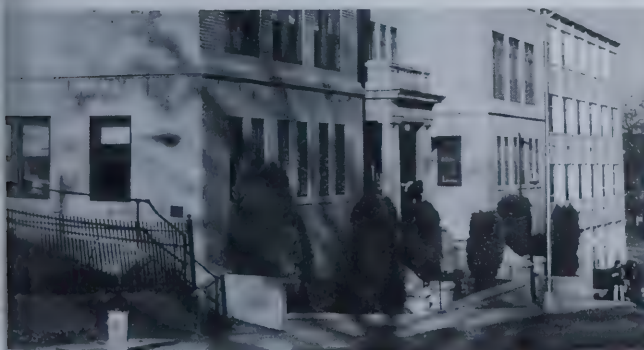

**Love,
Mom**

Brian,

I knew you could do it! I'm so proud of you. I will miss having you bring me to school and being at home now that you'll be going off to college. I know you will do great. Good luck! I love you.

Lisa
